

AHECS - East Region Gathering

Dear AHECS Community,

On behalf of the AHECS Psychometrics Community of Practice, Michael McDonnell (UCD), Deirdre Parker (UCC) and the AHECS Executive Board would like to invite you to attend a regional in person workshop which will offer an opportunity to learn more about the CoP, reconnect, share and discuss challenges and successes within your careers and employability services.

When: Tuesday 14th November 2023
Where: UCD Michael Smurfit Graduate Business School
Laurence Crowley Boardroom
Carysfort Avenue, Blackrock, Co Dublin
Time: 11am -2pm

Schedule

10.30am Registration and Tea/Coffee on arrival

11am -12pm Round Table Discussions

We look forward to catching up colleagues for discussions around the following topics:

- How can we make blended/hybrid services work for students?
- How can we be more creative in engaging with our students?
- How can we be more creative in engaging with employers - on campus/online?
- How can we measure and evaluate the success and impact of our work with both students and employers?
- How are the advances in AI affecting your Service?

12pm – 1pm AHECS Psychometrics Communities of Practice

The AHECS Psychometrics Community of Practice would like to build on the series of past events with opportunities to share best practice on an exciting range of topics ranging from:

- Strengths-based assessments
- Personality tests used by employers.
- Ability test in adult guidance
- Gamification and gamified assessment
- Research on the use and effectiveness of psychometrics assessments.

2pm – 3pm Networking Lunch

Please note advance registration is required, calendar invite to follow. We hope you can make it!
